

**DIED :** At his residence near Fruita, on Sunday morning, December 1st, Mr. S. S. McDole, aged about forty years.

We have not been able to learn the particulars of Mr. McDole's death any farther than that he had been sick for some time with fever. He came to Colorado from Iowa about a year and a half ago, and after purchasing a farm in the lower valley, sent for his family. His family have been greatly afflicted with fever for some time, but Mr. McDole was the last to succumb.

He was buried near Fruita on last Tuesday, Rev. Bears officiating at the funeral.
