

MESA COUNTY GENEALOGICAL SOCIETY

NEWSLETTER

July 22, 1981

Our regular meeting will be held on Thurs. Aug. 6th. - 7:pm at the Valley Federal Friendship Room. This is going to be a "Work and Gab" session--- so bring your material and any new questions that you might have. We'll "cuss and discuss" and maybe help each other.

We need your ideas on getting the Society going. We need to consider publishing a Quarterly. We need to work toward establishing a library. We need to start accumulating research material. What do you think we need to do ? The Society is getting recognition from outside the area, with people wanting to join, so we need to make it a group worth joining.

For the September regular meeting, Gene George will bring his photograph copying camera and make negatives of your old photos that you would like copied. The only charge for this will be film and developing solution. (about 10 cents per negative) Plan to bring along some of your photos you want copied.

SEMINAR

SEMINAR

SEMINAR

SEMINAR

Sep. 26th - Valley Federal Friendship Room. Registration - 8:30 am First session starts at 9:00 to 11:30. Break for lunch. After noon session from 1:00 to 2:30 with a break to be followed by a question and answer period. Donna Porter, from the Colorado Genealogical Society in Denver, will participate in our September 26th. Seminar. We do need to let Donna know what subjects we would like to have covered; therefore, we do need your input. These seminars are for education and help in genealogy research.... so if there is an area where you need help.... jot down your suggestions of requests and bring them with you to the Aug. 6th. meeting.

A number of the members met June 11th. to inventory Crown Point Cemetery and the Glade Park Cemetery. This finishes the inventoring of the Cemeteries in Mesa County, except for Fruita. Typing the file cards is progressing, but a lot is left to do. Special praise must go to Alice Devine who has typed many thousand cards in the last two months and to Ellen McCluir, who inventoried the Palisade Cemetery.

Hope you all have had a great summer and collected a lot of genealogy. Come share with <sup>us</sup> on the 6th. and bring a friend.
