Society News

M.C.G.S. officers met at the home of Gene and Phyllis George prior to the Oct. meeting to formulate plans for that meeting.

The Oct. meeting was held in the Friendship Room, Valley Federal Building, with the following discussions and program. It was decided to put a table at Mesa Mall on Oct. 23 to Publicize the society. A notice from Denver Public Library was read stating use of the library once again was open to the public without paying a fee. Work on the cemetery records project was discussed. The card file on reference material held by the members was brought up and an effort was to be made to have it available at all future meetings. The program for the evening was on genealogical numbering systems. Imogene Wiley, Carol Dawn Croft and Gene George each explained the system they use and a question and answer session was held.

Nov. 15 the officers met with the President, Secretary, Treasurer, Corresponding Sec., and Historian present. The main discussion was on keeping the society alive and growing. A ballot questionair was prepared for the Nov. meeting to adress this problem to the membership.

The Nov. meeting was held on the 18th, Valley Federal Building, and the questionair vote was taken on the future of the society. The decision was to keep the society in tact as a less formal groupe and continue meeting at Valley Federal Building. The program for the evening was presented by Pat Allen and was on the use and availability of news papers as a genealogical source.

The Dec. meeting was a share information session and members had been asked to bring catalogs for referance material that they might have. Cookies, coffee and tea were served in keeping with the less formal setting for meetings.

Editorial Presidents Message

One object of a Genealogical society is to make research material available to any one intrested. The reason the Denver Public Library has a good genealogical section is because of gifts from the Colorado Society and individuals. If you would like to donate material to Mesa Co. Library, it can be marked so it will not be put in a book sale in twenty years. Also you can claim a deduction on your income tax as a charitable contribution.

We need to let people know we are an active society in Mesa Co. If some one doing family research sees a book or a quarterly with a bookplate marked " Donated in the name of the Mesa Co. Genealogical Society By _____ " They will know we are here to help.

If you wish to share your material with members only, fill out the 3 X 5 cards with the subject, title, short description, and your name and phone number and send it to me and I will add it to our card file.

Jan. meeting Carol Dawn Croft will share some of the pleasures and pit falls of traveling for 18 months around the country doing research.

Feb. meeting will start our workshops concentrating on certain sections of the country. The first section will be New England. Maine, New Hampsire, Vermont, Massachusetts, Rhode Island and Connecticut.

Mar. meeting will be New York, New Jersey, Pennsylvania, Delaware, Maryland, Virginia and West Virginia.

Election of officers will also be held at the Feb. meeting with nominations from the floor and installation at the March meeting. Any one willing to serve as an officer is ask to notify one of the present officers.

A special meeting is planned for Jan. at the home of Dorothy Inscho, 3211 North Ridge Drive on Jan. 20, 1983 at 1:00 P.M. to extract names from some old newspapers that Billie Richardson has been loaned. Any help on this project will be appreciated

Most Common Names In The U.S.

Published in the Sep.-Oct. issue of Bear Tracks is an article written by Nicholas R. Murray listing the most common names in the U.S. Using a computer scan of 154million Social Security accounts, Richard S. Thomas of 1508, 22nd Street, Des Moines IA, 50311, sent Bear Tracks a list of the 2000 most common names, projected using the established ratios to include the 1980 population total. The top 20 names are: 1 Smith, 2 Johnson, 3 Williams, 4 Brown, 5 Jones, 6 Miller, 7 Davis, 8 Wilson, 9 Anderson, 10 Taylor, 11 Moore, 12 Thomas, 13 Martin, 14 Thompson, 15 White, 16 Harris, 17 Jackson, 18 Clark, 19 Lewis and 20 Walker. Genealogical Research One Hundred and One Years Ago

I thought of finishing this book-The Adventures of a gentleman in search of a Genealogy-and had partly written a narrative of my inquisition among the various classes of busy, indifereent, careless, uninterested, or contemptuous folk who care little for such persuits and despite their pursuers, down to the greedy cousin who wanted toknow if there was any money in it? and the extremely cautious kinsman who, before answering, sent a lawyer to interview my inquirer! Nay, genealogy writing is a trying task, requiring tact, care, patience, forbearance, pertinacity, and abundant good humor. The mass of ones kindred will be found unsympathetic, and one runs the risk of being branded a bore. Yet, some day, but elsewhere, I may perhaps finish my story of my Adventure.

Brantz Mayer, Memoir and Genealogy of the Maryland and Pennsylvania Family of Mayer. Baltimore, 1878, page 174

Due to the small volume of material available for this quarterly, six pages of Mesa Co. Marriage records will be included.

May the year 1983 bring lots of successful genealogy hunting.
