SOCIETY NEWS

The last three meetings of the Society were held as scheduled. Jan Carol Daun Croft spoke to the group on her experiences while traveling around the country doing research. At the Feb meeting the 1983 officers were elected and the rest of the time was spent sharing information. On Mar 8th a meeting of the old and new officers was held at the home of Billie Richardson. The objective of this meeting being to try to keep some continuity in the plans of the Society for the next year. The new officers took over their respective duties at the Mar meeting. The by-laws were reviewed and suggested changes were made. A committee was appointed to rework them. Dorothy Inscho presented the following treasurers report.

Pat Allen President 1981/82

I want to thank all the members who helped out when ever I ask. We have not grown as much as I had hoped but as the public becomes more aware we are around perhaps our group will grow. I know that each and every one of you will do all you can to help the new officers. We need typists to work on the cemetery cards so we can get an index printed for at least the small cemeteries in Mesa Co. If you can help call me, [REDACTED].

PRESIDENT'S MESSAGE

Fore more than two years of life our out-going officers have nursed Mesa County Genealogical Society from infancy to toddler stage. Those first two years are all-important and we want to say "thank you" for leadership, guidance and patience to Pat Allen, Betty Buffington, Alice Devine, Phyllis George, Dorothy Inscho, Martea Johnson and Gene George. Phyllis, Corresponding secretary, and Dorothy, treasurer, remain on the board of elected officers. Gene has agreed to continue as editor of the news letter and quarterly for another year. We extend our thanks and look forward to their experienced assistance in the future.

There are three projects under way in the Society: (1) to catalog the cemeteries of Mesa County, (2) to list the marriages of the County from the first one in 1883 to 1912, and (3) to compile a name file from the City Directories. We hope to complete these three projects without too much delay and publish the cemetery and marriage records, indexed.

Other interesting projects have been suggested and with the completion of these three we shall be able to get others started. Let us hear your suggestions, either at our meetings or by writing to any of the officers. This way, your ideas and suggestions will become a matter of record, and as time allows many of them will be completed projects.

I would like to encourage everyone to turn in Surname cards, as many as you wish. They will be our quickest research tool for linkage with researchers everywhere. Our Surname file will be no computer bank, but it can be the beginning for one. Your cards should go to Alice Devine, Phone [REDACTED].

Our greatest interest and basic objective is to locate and preserve any genealogical records and make these records available to other genealogists and the general public. All family histories, whether leather bound or dimly written on a piece of paper, will be preserved with as much care as we can provide. Old photographs, Bible records and documents of any kind will have a place in our Heritage Collection File.

With your continued interest and help, we, the new officers- Merrie Unselt, Dana Howell, Phyllis George, Dorothy Inscho, Imogene Wiley and Billie Richardson- look forward to a good year of genealogy.

Billie Richardson.

City of Grand Junction was first incorporated in 1882. From 1882 to 1909 law enforcement was the form of Mesa County Sheriffs Office and town marshall for the city. City (town) worked under a town "board of trustees". In 1909, the commisssion form of government was established, and the city changed from it's chief law enforcement office being a marshall to a chief of police. Then, in 1921, city changed again, this time to a mayor-council form and there have been a total of eight (8) chiefs of police since that time to 1976.

ASSISTANT CHIEF OF POLICE
