PRESIDENTS MESSAGE

So you are planning a genealogical research trip -- well, don't leave in too much of a hurry. Doing your homework before you leave may save you time and money. Do as much of your research as possible right at home, using local libraries and their services including microfilm ordering and inter-library loans.

Once you have decided that you will need to make a trip, find out what records are available in the area where your ancestors lived. Write to these repositories to find out the procedures required to use them. Find out the location, days and hours they are open, what holidays are observed, requirements of advanced notice to see certain records, charges for access to records and whether copy machines are available or a copy service is available.

In the case of libraries, museums or archives, write in advance for printed inventories or guides to their holdings. This may help you decide what materials you want to see. Sending an advance letter to the librarian or archivist stating the records you want to see may expedite your research.

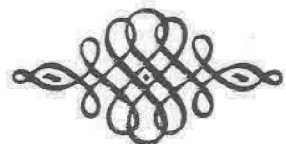

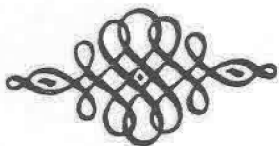

Don't forget to take along plenty of family group sheets, research calendar sheets, extract sheets, pencils and a clipboard. If you get a chance to interview someone, have a tape recorder along. If you plan to visit a cemetery, have some grass clippers, a flashlight, a camera and gravestone rubbing materials with you.

All of this advanced preparation will make for a smoother, more efficient research trip. Keep in mind that a thank you note to the librarian, archivist or records custodian who helped you will be greatly appreciated and may also aid future research trips by you or other researchers. A small donation to a church or museum that you have visited can also show your appreciation for their help.

You may be interested in writing for the following two research trip aids:

1. If you are doing pre-1820 research, you can order THE EARLY AMERICAN HISTORIANS TRAVEL GUIDE from the Institute of Early American History and Culture, Box 220, Williamsburg, VA 23187. This guide will give you important information on major repositories around the country, but more specifically, those located in the original 13 states.
2. Join VISITING FRIENDS for a \$15.00 lifetime fee. This membership will allow you to stay in a private home (for a small fee) while you are researching at State Archives, County Courthouses, etc. Write to Visiting Friends, Inc., Box 231, Lake Jackson, TX 77566

PROGRAMS TO COME

November 14th: Dr. Bob Johnson of Mesa College will be the guest speaker to discuss FOLKLORE.

December 12th: Genealogy Work Meeting. The files for surname cards, ancestor charts and county research locations will be available and their importance emphasized. We encourage everyone to attend, bring your forms for filing and, if you need assistance, bring sufficient information to fill out the forms. You will need such information as names, birth dates, marriages and deaths. All cards and forms will be available for purchase. If you have a problem, we will discuss it and try to help, or if you have information to share, we will be your best audience. MERRY CHRISTMAS REFRESHMENTS.

January 9th: Mrs. Linda Mulshand will present a program of slides taken of old cemeteries in Colorado, some of them from old mining towns. The President will appoint the audit and nominating committees for 1986.

A SPECIAL FRIEND

The Society has a special friend that we have neglected to credit for giving us invaluable assistance. She is not a member but when asked by one of our members to help with some art work, she readily agreed. She is LINDA CALLISON and we say "THANKS" to her for preparing the Genealogy Fair poster and reproducing the sampler for the feature story about AUGUSTA FOSTER in the last issue of MESA DWELLERS.

We wish to thank THE ANCESTOR SHOP for providing the mailing labels for MESA DWELLERS without charge to the Society.

ANCESTRAL SURNAME CARD FILE

MESA COUNTY GENEALOGICAL SOCIETY maintains a Surname Card File designed to assist in the interchange of information. Members are asked to submit five surname cards when they join and are encouraged to file as many more as they wish. The file is available for checking at The Ancestor Shop, 15th and North Complex, located on the corner of 15th Street and North Avenue. Members may have the file checked by mail by sending requests to Mesa County Genealogical Society, P.O. Box 1506, Grand Junction, CO., 81502 and a self-addressed stamped envelope. Non-members may have the file checked for \$1.00 per surname and SASE. If no information is found, your money will be returned. Information the genealogist believes is yours will be copied and sent to you.

Cards may be purchased at The Ancestor Shop, at general meetings or may be ordered by mail in packets of 10 @ .25¢ + .22¢ postage, 25 cards @ .50¢ + .39¢, 50 cards @ \$1.00 + .73¢ and 100 cards @ \$1.75 + .98¢ postage.

Following is the beginning publication of the surnames on file. We will continue to publish this list in Mesa Dwellers until completed. New additions will be published quarterly.

NUMBERING ANCESTOR CHARTS

We are scarcely started in genealogy before a monster rears up and challenges us to number the ancestor charts. Imogene Wiley and Dana Zamora have taken the time to work up numbering guides for 4 and 5 generation ancestor charts. We are demonstrating a short example for each chart.

FOUR GENERATION CHARTS: On Chart No. 1, begin numbering your continuations with 2 for No. 8 Ancestor, 3 for no. 9 Ancestor and down to the bottom of the page in numerical order.

On Chart No. 2, begin numbering your continuations with 10 for No. 8 Ancestor and follow to the bottom of the page in numerical order. The guide for Four Generation Charts has been prepared to include chart 144 which will include Ancestor No. 1153.

Anc #	Cht 1	Cht 2	Cht 3	Cht 4	Cht 5	Cht 6	Cht 7	Cht 8	Cht 9

15	9	17	25	33	41	49	57	65	73

FIVE GENERATION CHARTS: The guide works the same way for five generation charts but we have more ancestors on the page. Ancestor No. 16 will be continued on Chart No. 2, No. 17 on Chart No. 3 and on down to the bottom of Chart 1 in numerical order.

On Chart No. 2, begin numbering your continuations with No. 18 for Ancestor No. 16 and to the bottom of the page in numerical order. The guide is prepared to include Chart No. 108.

Copies of the Guides are available at regular meetings and at the Ancestor Shop.

EDGAR L. WARNER DIES AT AGE 67

We are saddened by the death of member Edgar Loring Warner who died Thursday, October 3, 1985, at his home after a lengthy illness. He had been a resident of Grand Junction since 1979 and a member of Mesa County Genealogical Society since 1980.

He was born November 22, 1917, at Fostoria, Ohio and spent his childhood in Fostoria and Cleveland. In 1935 he graduated from Fostoria High School and later attended Fenn College and Michigan State University in East Lansing.

On September 2, 1939, he married N. Madge Smith in Covington, Kentucky, who survives.

Mr Warner was a member of the Church of Jesus Christ of Latter Day Saints and had a strong interest in genealogy. He belonged to the First families of Ohio, Ohio Genealogical Society, Mesa County Genealogical Society and the Sanborn Family Association. He was a 32nd degree Mason and member of the Oliver H. Perry Masonic Lodge No. 341 in Port Clinton, Ohio and the Scottish Rite of Toledo, Ohio. He was also a member of the Museum of Western Colorado and a master gunman.

His advice and suggestions to the Society in our formative years was often sought. He was especially helpful in developing our By-Laws and in sharing his knowledge and expertise in genealogical research in Ohio and Pennsylvania.

Our sympathy is extended to his wife Madge, who is also a member of the Society. We share her loss.

GIFT TO MESA COUNTY PUBLIC LIBRARY

The New Valley Natives have voted to donate to the Mesa County Public Library a sum of \$100.00 to be used for Genealogical Research Books.

No doubt they have the thanks of the Public Library but we want to especially express the thanks from the Mesa County Genealogical Society for their generosity

FISTFUL OF FIRSTS

The research of member Pat Allen has left us with boxes and boxes of references on 3 x 5 cards that has inspired this series for the Quarterly. We have pulled some of her cards, added enough others to make a fistful, and put them in chronological order - all FIRSTS in Grand Junction.

1881

- Oct 31 The first Hallowe'en in Grand Junction revealed a grandiose trick that was the real thing. When Mr. Crawford returned to Grand Junction from Gunnison, where he had gone with others to prepare and file the legal documents for the new town, he found "claim jumpers" had claimed all but two 40-acre plots in Section 14, the site chosen for his new Grand Junction. John Allen, representing Mershon and Majors, had pitched a tent in the middle of Section 14, was digging a well there and called the new town West Denver.
- Nov 5 Petition for the first post office was signed by the settlers requesting a postal route and service at Grand Junction. The influence of the "jumpers" (Majors brothers) and the Postal Department's opposition to compound names, caused the name of Grand Junction to be denied and UTE was the name assigned to the new service.
- Nov 9 First day cold enough to wear a coat in Grand Junction. "Danney" Mickey, an old settler of 20 or 30 days, declared that "this is the first day this season" that he has worn a coat - Italian climate.
- Nov 16 The first snow on the new town - "vanishes like frost in 2 hours".
- Nov 21 First Express service. F. Bascom Wilson, from Roubidoux arranges to run an Express to Cantonment (70 miles away) and carry mail. Town without mail heretofore.
- Nov 26 First boards in Grand Junction. Mr. Crawford gets three small boards from William Inness, recently from Pitkin and now Sheriff of Mesa County, as a special favor to make a cupboard. Until Inness came there was not a board nearer than Cantonment.
- Nov 28 First well was begun by George P. Bates and Van de Venter for the Town Company at the SE corner of Block 121.
- Dec 8 First lady to live in Grand Junction was the wife of Judge Mobley who brought her to G.J. with him when he returned from Gunnison.
- Dec 11 First store in town. H. P. Gile, packer for Capt. Irwin's survey party, returned from Gunnison and rented Judge Mobley's building on Colorado Avenue for a store at \$10 per month. His partner was C. F. Mitchell.
- Dec 17 First lot taken on Main Street was a gift to William Reber, Lot 5, Block 121.
- Dec 25 First Christmas was celebrated with horse racing in town. The weather was so warm that "old man Gordon" and John were in their shirt sleeves.

The first two years for Grand Junction, 1881-1882, had a first in every day events, most of them not very earth-shattering. We will continue these items from time to time. If you know a first in Grand Junction or Mesa County send it to us at Box 1506, Zip 81502, and it will find its place in our Quarterly.
