PRESIDENT'S MESSAGE

I am pleased to be the new president of the Mesa County Genealogical Society. I will try to do my best for our organization and please feel free to call me if you have any ideas or concerns.

We had a good turn out for Marion Zipse who gave a talk last month on Oral History. Several ideas were mentioned as to what we might want to include while doing a taped interview. As older relatives might have trouble writing, this would be a great way to receive information from them.

Our meeting in April, will be held at the L.D.S. Library. I am looking forward to learning how we can use the library records more efficiently. I hope to see you there.

Sue Martinez

This completes the Appleton Community Directory. We appreciate the work
 the Class of 1940 went to. It is projects like this that make our work
 as Genealogists or Family Historians a little easier.

CEMETERY PROJECT

We are in the process of getting some early burial records from the county archives to extract more burial information for our cemetery project.

Our plans are to work on Monday mornings from 9 to 12 at the Court House. We will probably get started the first Monday in May. Those of you who are interested in helping, please call Dorothy Inscho [REDACTED] 5 or Phyllis George [REDACTED]. Other times will be made available if you can't work on Mondays.
