#### PRESIDENT'S MESSAGE

We are starting another year and I would like to give a special THANKS to all the outgoing officers. We will have several activities coming up this year and we will list them as far in advance as we can. We will also go over all events at our regular meetings. Remember this is YOUR society and your input is very important to us.

Wynona

Plan Ahead, it wasn't raining when Noah built the Ark

#### Lions Club Cake Donation

This year we donated 36 cakes to the Lions Club. Thanks to all the bakers and to Phyllis and Sue for taking the cakes down.

#### Sutro Library Holdings

The Mesa County Public Library (to express their thanks to the Mesa County Genealogical Society for the many hours of volunteer work that we have done on the Obituary Card File) has purchased the microfiche index to the Genealogy holdings of the Sutro Library in California. Some of their holdings do not circulate, but a great many of them do. Most of us know how hard it is to obtain genealogy and history books from other libraries on inter-library loan...so this is a great resource tool. USE IT. And let the Mesa County Public Library know that we appreciate it.

#### Obituary Card File

We again want to thank everyone that is working or has worked on the Obituary Card File at the Mesa County Public Library. For our newer members, we are typing a card file of all the obituaries that appear in the Daily Sentinel. We are doing this on a current basis, as well as going "back in time". At the present time, we are typing on 1948 and 1947. The girls are in the process of copying the year 1944. If anyone can find the time to either type or to help copy the newspapers, please contact Dorothy Inscho ([REDACTED]) or Sue Martinez ([REDACTED]).

## 1920 Census

The 1920 Census and indexes will be available 1 May 1992 from AGLL. (order through Mesa County Public Library) The 1920 Census exists only on microfilm and consists of 2,076 rolls of population census schedules and 8,590 rolls of the soundex index. Every state in the 1920 census is soundexed. This will simplify access for genealogists and family historian.

## Preserving Newspaper Articles

Add 1 tablespoon of Milk of Magnesia to one quart of water, pour into a container and let set 24 hours. Lay newspaper articles in solution and lay on paper towels, with another paper towel on top of wet articles and press a couple of times. Remove top towel and allow to dry. (from Illiana Genealogist, 1991, Vol 27:1)

We want to thank the Museum of Western Colorado and J.D. Moore for their cooperation and permission in reprinting the map of Mesa County found in this issue. This map was taken from the book, Mesa County COLORADO, A 100 YEAR HISTORY 1883-1983. It also includes the history of the different communities in Mesa County. We will be reprinting these in future issues. The Museum has this book for sale (\$7.95) and the library also has a copy. The museum also gave us a large 18 X 22 map and it is at the Ancestor Shop. A big thank you to the Museum for all their help.

We would like to extend our condolences to Gloria Heitsman on the loss of her husband.

## TIDBITS

Good news for those who have Methodist roots. If the church located in Missouri has closed, it is suggested you write: Bishop of the Area, P.O. Box 6039, Chesterfield, MO 63003. You will be referred to the proper historian. The address for the depository of journals, records and periodicals in Missouri: East half of MO: State Historical Society, 1020 Lowry Street, Columbia, MO 65210. West half of MO: Central Methodist College, Fayette, MO 65248. A computerized list of all Missouri ministers is in process. When complete, it will be available at Columbia and Fayette. (from St. Louis Genealogical Society, Vol 23, #7, July 1991)

The #4 is the most often misread number on a sandstone marker, because of the way the 4 was chiseled into a headstone. The downward stroke that resembles a one was usually embedded deeper than the rest of the four. With the passing of time, what remains is the downward stroke, thus looking like a #1. Usually by packing cornstarch into the crevices it will bring out the 4. (from Illiana Genealogist, Vol 27:4 1991)

## BEATITUDES for FAMILY GENEALOGISTS

Blessed are the great-grandfathers, who saved the embarkation  
and citizenship papers;  
For they tell when they came.

Blessed are the great-grandmothers, who hoarded newspaper  
clippings and old letters;  
For they tell the story of their times.

Blessed are all grandfathers who filed every legal document;  
For this provides the proof.

Blessed are all the grandmothers who preserved family Bible and  
diaries;  
For this is our heritage.

Blessed are the fathers who elect officials who answer letters of  
inquiry;  
For some, the only link to the past that is there.

Blessed are the mothers who relate family traditions and legends  
to the family;  
For one of her children will surely remember.

Blessed are relatives who fill the family sheets with extra  
data;  
For to them we owe the family history.

Blessed is any family whose members strive for the preservation  
of records;  
For theirs is a labor of love.

Blessed are the children who will never say;  
Grandmother, you've told that story twice today.
